Sir:

By Office Action dated February 8, 2006, the above-referenced application has been made subject to a requirement to restrict. Applicants hereby provisionally elect to prosecute the invention of Group I, represented by claims 1, 2, 5 – 11, 15 – 22, and elect the nucleotide sequence represented by SEQ ID NO: 5. No species is provisionally elected because the species election is moot in view of the following Amendments. This provisional election is made with traverse and without prejudice to or disclaimer of the other claims or inventions disclosed.

Amendments to the Claims begin on Page 2.

Remarks begin on page 8.

It is not believed that extensions of time are required beyond the one month extension provided for in documents accompanying this paper. However, if additional extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. § 1.136(a), and any fees required therefore are hereby authorized to be charged to our Deposit Account No. 04-1928.
